Dear Member,

Following our Members' Update in early December, the government's **consultation** on the implementation of its Veterans Strategy remains open for responses until 21 February. We have received minimal feedback to date and if you would like us to submit a sector response please share your views by completing a short, focussed survey **here**.

If you would like more information about the Veterans' Strategy or the employment, education and skills questions in the consultation please contact me - **carl.jordan@euskills.co.uk**
