

Talent Source Network is changing to

Our new name is part of our strategy to provide a **sector window**. Showcasing the opportunities in the sector to all – not just those looking for entry level roles. We are the **jobs hub** for the **power, gas, water and waste** companies in the UK.

- Energy & Utilities Jobs is the place to look for a job in the sector.
- Energy & Utilities Jobs is a collaboration of 25 leading power, gas, water and waste companies who have committed to post all their available jobs on our jobs board.
- The jobs include entry level, graduate and professional roles across all disciplines in the organisations. From HR to Cyber Security and Finance to Pipe Fitters.
- Energy & Utilities Jobs is working to raise awareness of the sector
